

Read How to Save \$\$ This Year!

Earn Valuable Credits To Your Account!

Use them for anything: costumes, tuition, dancewear, dance shoes, etc

Like most businesses, each year it seems that costs continue to rise. By your participation in our Ad Sponsor program for our year-end recital book, the sales of the sponsor ads helps to defray your costs for the recital expenses at year end, thereby keeping students' cost down. You can start NOW, by obtaining these ads all year long, continually giving you earned credits on your account.

Take recital books from last year with you as you approach sponsors so they can see the quality of our book! We have plenty of copies on hand, just ask for them and leave with potential sponsors to review. The covers on the books usually sell out first so don't delay in getting started! Check with our office on availability.

Let's see if you can be the Top Dollar Ad Campaign winner this year! Last year, our parents earned several thousands of dollars in ad credits to their accounts. It's easy! Top sales winner receives a color, full-page ad!

Please see the detailed flyer regarding this money-saving program in the studio! Pick your copy up today! Any questions please see Linda or Tiffany.

Thank you for your support and good luck on your ads!
