Annual performance held at the Gaillard Auditorium on June 17, 2012. All students are invited and encouraged to participate, however, it is not mandatory.  
Recital/Performance fees are listed below. They are divided into 2 payments: the deposit is due November 7<sup>th</sup>, and the balance is due February 6, 2012.

Recital/Performance fees include: Primary costume, tights if needed, props, Gaillard rental for 2 days, lighting, sound, security, production of recital program, group pictures and all other expenses incurred to put on a performance such as ours. The fee also includes a business-card size space for any message you may want to share with the student. Please see Ad Campaign flyers in the studio or one may be sent to you via email, upon request.

The Ad Campaign earns credits to your account and is a great way to offset recital costs.

The Primary Fees are for the student's primary class. Family accounts are charged one Primary fee per student for their first class (if in more than one class). Performance fees are only charged one time in the Primary Fee. If a student is in multiple classes, the family account is charged for ONLY the costume expense for the 2<sup>nd</sup> (or 3<sup>rd</sup> etc) class. No additional "performance" fees are billed for secondary classes.

In November, families pay a "deposit", or a portion, of the recital/performance fees; the balance is not charged and collected until February. The deposit required to order costumes is \$135.00 per student for the Primary Class. Any multiple class costume fees are also billed and paid in November. Costumes are ordered Dec. 1<sup>st</sup>.

NOTE: These fees are based on 100% participation of current enrollment, therefore they are Non-Refundable. Please check with Linda, Tiffany or your teacher with any questions.

Costume and recital fee amounts will be posted by Oct. 1st.

Please inquire at the studio about our Ad Campaign and Referral Program to see how you can earn valuable credits to your account. Flyers are available at the studio.
